

REMARKS

Claims amendments are made to eliminate multiple dependencies and in some instances put the claims into better form for US practice. New claims 8-20 are supported by original claims 2-6, respectively. The case as amended contains 3 independent claims, 20 total claims and no multiple dependent claims.

Claim 1 has been amended to reverse the effect of the Article 19 amendment made during the international phase.

Claims 7 and 8 are amended to recite a product-by-process rather than a method, and to put the claims in better form for US practice.

Respectfully submitted,
